Disclaimers

Visit www.ldvsouthafrica.co.za or your nearest LDV dealership for more information. LDV South Africa reserves the right to modify specifications without prior notice. Terms and conditions apply.

¹ Fuel consumption figures are derived from laboratory testing in accordance with ADR 81/02 and are intended for comparative purposes only. Real-world consumption will vary based on driving style, road conditions, vehicle load, and other factors.

² Tare weight is based on vehicle certification and includes 10 litres of fuel and standard equipment, excluding occupants. The driver is responsible for ensuring the vehicle is operated within GVM, axle load, GCM, and applicable towing regulation limits.

³ Safety technologies are driver-assist features only and do not replace attentive driving. Performance may vary depending on conditions. Refer to the owner's manual for full details.

⁴ All information is correct at time of publication. LDV South Africa accepts no liability for errors, omissions, or reliance on content in this document.
